WORK EXPERIENCE

• Web Developer

XELPMOC

6 Months

Being a student I used to intern at a Bangalore based startup as a web developer which included both Frontend and Backend development.

• QA Tester / Developer

LEGACY ROLEPLAY SERVER

1 Year

As I started following my passion for gaming I started working as a game developer and tester for a GTA V Roleplay server, here I used to find out bugs when players used to play at great server capacity and tried to solve problems or glitches faced by players. I also used to help developers to test out the new systems.
